The Climate Realists of Five Dock have developed this **"Below the Line"** voting ticket. It represents a reasonable arrangement of how NSW Senate candidates *might* be preferenced in order to maximise the aims of Climate Realists in bringing rational debate to the current emotional and irrational belief in Anthropogenic Global Warming & also to maximise the future Senates role of supporting the Liberals in repeal of the Carbon Tax legislation.

Authorised & Printed by: J R Simpson & D M Elliott, 11 Great North Road, FIVE DOCK NSW 2046 for The Climate Realists of Five Dock - Sept 2013.
