The Climate Change Scare Machine

Industrials

Renewable energy, nuclear power, electric cars, batteries, hydro-electric, geothermal, desalination plants: e.g. General Electric, Siemens, Mitsubishi, Sharp, Samsung, Panasonic, Phillips, Toshiba, Westinghouse, Toyota & "Solyndra"...

Renewables: \$243b invested, 2010. Nuclear: valued at \$217b, 2010. Solar PV market: \$80b, 2010

Financial houses

GoldMan Sachs, JP Morgan, Deutsche Bank, HSBC, Citigroup, Barclays Investment Bank, Société Générale, Morgan Stanley, Fortis Bank Nederland, Bank of America Merrill Lynch, Munich Re, Westpac, and many others...

Carbon Trading: \$142 b in 2010

Plus: Climate change exchanges, auditors, insurers, reinsurers...

Green Foundations

Soros funded groups: Open Society Institute (\$5b in assets), Energy Action Coalition, Green for all, Natural Resources Defence Council, Alliance for Green Protection, Friends of the Earth, Earth Island Institute, Tides Foundation.

Turner Foundation, Rockefeller Brothers Fund, Joyce Foundation, Blue Moon Fund, John D. and Catherine T. MacArthur Foundation...

Green Groups

Greenpeace (US\$300m), WWF (\$710m), Sierra Club (\$56m), Pew Charit. Trst. (\$360m), Earth First, UCS, Conservation Foundation, Center for American Progress (Climate Progress), Environmental Defenders Fund, MoveOn, GetUP, ...

Big donors are anonymous.

Government Funded Activists

IPCC & other UN groups (WMO, UNEP, UNFCCC), Government Departments (NOAA, EPA, BOM, NASA, Hadley Met Centre, Dept Climate Change, CSIRO, Dept of Conservation ...)

Universities & Scientists \$

\$79 Billion to the scare, \$0 to skeptics **Public Broadcasters**

(e.g. BBC & ABC)

Media (aka rubber stamp)

...turns official press releases into "News items"

Thus a Government funded scientist's opinion (or best guess) becomes an undebatable "fact" backed by a University or govt department.

Independent scientists criticisms are ignored or called "fringe", "extremist" and "in denial".

Smear Sites

DeSmog, Exxon Secrets, Sourcewatch, 10:10, etc

Duped: the well intentioned public pay for it all.
